Certificate in Mathematical Studies

Level 3 Certificate

Dear Future CMSStudent,

CMScourse in September.

Between now and then it will be helpful spend a short period of time mentally preparing yourself for the course. Taken together these tasks will give you an insight into the type of things you will be doing in your OMS lessons.

Tasks:

Write:

 Use the governments income tax calculator <u>https://tinyurl.com/takehomecalc</u> to £33,280 (the median wage for UK workers. The mean wage is higher, in OMSwe will look at why that is!). The webpage will ask you some

Listen:

• How important is learning maths after GCSE anyway? <u>https://tinyurl.com/more-maths</u>
